Bridge to Beach Bike-a-Thon

June 12, 2016
Philadelphia, PA

Bike-a-thon features four start-points with six route options (including a century route) giving you the freedom to ride a short, medium or long distance. Whether you're a casual rider or an avid cyclist, there's a ride for you. This unique ride is fully-supported all along the way. Support includes volunteer mechanics from local bike shops, SAG wagons, fully stocked rest stops, repair & first aid patrols, and also safe return transportation if needed. At the new endpoint, on the beach and boardwalk in Atlantic City NJ, participants will enjoy entertainment, a variety of lunch options, a custom 2016 Bike-a-thon t-shirt, survivor ceremonies and other family fun activities. Special hotel rates will also be offered for anyone who is interested at staying overnight in Atlantic City.
